Worksheet: Why do some teenagers drink alcohol?

Instructions:

Interview 3 to 5 different people and ask them to give you three reasons why they believe some teenagers drink alcohol. They may be a parent, a religious leader, a sports coach, a teacher, a school friend or an older sibling. The most important thing is that you choose people who might have different perspectives from one another. After you have completed these interviews, complete the tasks below.

In the table below, list all the different reasons you were given and the number of times any reason was repeated.

Reason	Number of times this was given (frequency)
What was the most common reason given?	
In your opinion, what do you think are the three most likely reasons some teenagers drink alcohol to get drunk?
